

Policy Type: Ends

Policy Title: E – Global End

Date Revised: March 13, 2024

On behalf of our Owners, the Keweenaw Co-op will be a leader in our thriving and healthy local community, supported by values inherent in the Co-operative model.

- Our customers benefit from increasing access to food and products that improve health in ways that are environmentally, socially, and economically sustainable.
- Our food producers and community benefit from a thriving, fair, resilient, and sustainable local food system.
- Our community understands the value of health, healthy food, and the cost of a sustainable food system.
