

Policy Type: Board-General Manager Relationship (B-GM)

Policy Title: B-GM - Global

Adopted: March 13, 2024

***Policy Scope:** These policies define the delegation style, practices, and discipline that make up the Board's relationship to Co-op operations and the employment of a General Manager.*

GLOBAL: We responsibly delegate all Co-op operations to a General Manager of our choice, while at all times maintaining unity of control, clear distinctions between Board and Management roles, and fair and effective employment practices.
